

Ice Breaker- What movie really makes you laugh out loud?

August 31, 2008

Read Matthew 3:1-6 and Luke 3:10-14

John the Baptist uses the expression “fruit of repentance”. What does that mean?

Are there areas of your life that haven’t been baptized with you? Honestly, what are they.

What would it take to make you really **content**?

What do you think is the motivating factor for greed in our culture? Why is it so difficult for us to *live with less*?

How did you feel at the end of the message with the challenge to give away your shoes? Was it hard for you?

Pray- To learn to live with less.

Vision- “with the Father’s love” Jesus emptied Himself for others- that we do the same.
