

Ice Breaker- What are you most gifted at?

March 22, 2009

Read Acts 19:1-7 Why do you think that these believers had not heard of the Holy Spirit? Do you think that there are Christians like this today? Why is the "Holy Spirit baptism" so important?

In what ways is the Holy Spirit like fire?

Jesus said that "it is good that I am going away. Unless I go, the comforter will not come..." How would you feel if you were one of the disciples hearing this from Jesus?

Christianity without a living, active, "forever present," God is not Christianity at all. Talk about this- do you believe it- why?

Next week on Sunday we will be having an open time to pray for one another to invite the Holy Spirit into their lives in a greater fullness. How do you think this is going to go? Are you going forward?

Pray- for an openness in those who are new to the Holy Spirit's work.

Vision- "with the Father's love"- the Holy Spirit is the promise of the Father.
