

Ice Breaker- what kind of person are you in terms of neatness? Clean freak, clutter person, piles, etc....

July 5, 2009

Read Matthew 12:43-45 Why do you think that Jesus taught this to the people that were around him? How does this apply in our lives practically?

Through this series, what is it that has surfaced in you? What roots have been exposed and dealt with? How has this felt?

Why is not enough to just “empty ourselves” of the evil and sin? What else must we do?

What is a taproot and how can you assure that you are fully connected to Christ?

What is the secret to a long life of fruitfulness?

Pray- For the good roots to be developed in place of those the Lord has uprooted.

Vision- “in relationship with Jesus Christ” –ongoing, every day, consistently being in His presence.
