

**Ice Breaker-** How were you raised growing up? Spoiled? Deprived? Independent? Etc

November 8, 2009

Prayer focus: **Father's and children** – pray that those who are separated would be reconciled and that dad's would be proactive in bringing restoration to their children.

Read Mark 10:13-16. Why do you think the disciples were trying to prevent people from bringing children to Jesus? How does Jesus' response speak to you?

What are the two "extremes" pastor Peter spoke about when it comes to how the culture treats children today? Do you think this is also true within the church?

What is the role of the church when it comes to children?

If you are a parent, talk about what you think it means when Galatians says we should "not provoke our children to wrath." Have you ever done that?

What did the Lord say to you about how He adopted you as an orphan and carried you to Himself?

**Vision-** "with the Father's love." Everyone needs it because we were all orphaned from God.

**FYF needs:** Café volunteers, Kid's church workers, office administration.
