

Ice Breaker- Describe Christmas in one word.

December 20, 2009

Prayer focus: **Needy-** *that those both physically and spiritually needy would come to know the love of Jesus through His church.*

Read the two "Christmas" accounts- Luke 2:4-11 and John 1:9-14. What do you see as the greatest similarity in these verses?

Why is it easy for us to look at Christmas as "what was," instead of what our personal response to the event should be?

Jesus "came to those who were His own." How did he do that and what difference does it make today?

Why do you think it's difficult for some people to fully receive Jesus? How did you come to Him?

Christmas is not just a holiday...it's a rescue plan. How does that the way you view Jesus' birth in Bethlehem?

Vision- "impact the region with the Father's love" He sent His son to His own!
