Cell Outline

Prayer focus:
Grand opening of the youth center. Pray that many in the community would feel welcomed and drawn to God through this.

Read **Genesis 12:1-4**.
Why do you think God called Abram? What was special about him?

What were you like when God first came to you by His Grace?

What are some ways that you **respond** to God's grace?

Do you associate grace and obedience as working together? How can you become more obedient?

Talk about what this means: Live a missional life by participating in God's work in the world you are in, accepting the invitation of grace and responding to it by being part of God's story, living out Grace and Obedience.

Vision- For 2010...G.O. To all the world, including our neighborhood, community, and the rest of the world.

FYF needs: Parking Team, Grounds Crew, Administrative help in the church office.
