I Can See Clearly Now

Prayer focus:
*For the teams GOING to
Rwanda, Dominican Republic
and Russia.*

Ice Breaker:

What experience in life have you had that has made you see or think about something differently.

Read Revelation 3:17-18

Why do you think the church of Laodicea had a problem seeing reality? Do we see reality? What are the obstacles that keep us from seeing the way that God sees things.

Talk about This:

See Clearly: Experience Life

See Clearly: Experience the Word

See Clearly: Experience the Holy Spirit

Do you think the Holy Spirit will help us see things clearly?

If you have experienced the baptism or a fullness of the Holy Spirit share this with the group. Pray for those who have yet to receive and and for each one to be filled again - we all want to see what God see and live our lives according to what he shows us.
