Cell Outline

Prayer focus:
Pray for those in leadership over us. Pray for Governor Lynch, his family, and staff. Pray for President Obama, his family, and staff. Pray for God to put influencers in their lives that will challenge them to lead God's way.

Ice Breaker- How did you spend Memorial Day?

How did you feel about Pastor Mike's story of discrimination in the church when he was a kid?

Read Phil 2:3-8. How does this apply to our lives? How does it apply as to how we perceive power and how we deal with those in authority over us? How does it make us feel about our choices?

It is more powerful to be loving than to be right. Agree? Disagree? Does anyone have an example of where you've chosen to be loving instead of 'right'? How about an example where you've chosen to be 'right' instead of loving?

If the church (us) were known for doing the loving things instead of for being 'against' things – how do you think the world would look at us? How can we make this happen?

How will you apply Sunday's message? Prayer walking? Focused prayer for our leaders?

FYF needs: Cell host homes, Reach Homeless outreach, media and powerpoint ministry.
