Cell Outline

Prayer focus:
Pray for the families of those whose loved ones have gone to be with Jesus over the last two weeks.

Ice Breaker- What was your favorite television show growing up?

Did your parents ever talk about sex? What did they teach you about waiting and abstinence?

Read 1 Cor 6: 12-20 What stands out to you in this passage and how does this apply to us today?

Flee from Sexual Immorality. How can you personally live this out, considering what we are exposed to every day? (get personal here!)

Is it working? Think about the “relative nature” of sex today. How has it helped us or hurt us?

Pastor said that the Bible teaches us that sexual sin is in a category all by itself. Why do we think that all sins are equal...and why are sex sins different?

FYF needs: Children’s Ministry, Administrative/Office help, Events and Hospitality. We need you!
