Sing a Worship Song:

Ice Breaker: In 30 second or less, share what spoke to you on from Sunday's message and why? Or Have you ever faced a difficult situation and wanted to **run away** or tried to **make it go away**? In 30 seconds or less share your story.

Why do you think the Founding Fathers put into the Declaration of Independence "Life, Liberty and the pursuit of Happiness"...saying these were "unalienable rights" given to all people from their creator? Why does pursuing freedom come at a cost and with opposition.

Scripture: Read Jeremiah 29:11-13. What does this Scripture say. How does this apply to your life.
Read 1 John 2:14, Revelation 12:11, John 16:33, James 1:2-4 What do these scriptures say about trials, difficulty, and opposition? How do we overcome this opposition.

Read: Trials are the test of our readiness and our readiness is needed to bring Jesus' freedom. What does this statement say to you?

Read: The enemy's opposition becomes God's opportunity. Can you think of a time in scripture where this statement has played out? Recount the story.

God has brought us to a place of freedom so we can lead others into freedom. How do we do this?
